Special list of ASTILBE  
JAPONICA HYBRIDS

This list contains both the standard and new varieties, the best of the latest introductions. They can be grown in the garden successfully if freely watered, but they are best used for forcing in the greenhouse.

	Doz.	100	1000.
AMERICA. Deep pink; excellent forcing variety; fine for early forcing.	3.50	25.00	225.00
DEUTSCHLAND. Dwarf habit, and producing dense, feathery plumes of a splendid brilliant dark-pink color with a soft lilac shade.	5.00	30.00	275.00
EMDEN. Compact plumes; flowers of a beautiful cattleya-pink.	5.00	30.00	275.00
GLADSTONE. A fine variety. Immense trusses of flowers are as white as snow, borne on erect strong stocks; best white for forcing.	3.50	25.00	225.00
MOWE. Striking novelty with long well formed spikes and splendid crimson flowers, shaded salmon.	5.00	30.00	275.00
QUEEN ALEXANDRA. Light pink; good for forcing.	3.50	25.00	225.00
RHINELAND. The compact spikes are bright crimson colored with salmon shade.	5.00	30.00	275.00
RUBENS. Rosy red; new and good; fine for forcing.	3.50	25.00	225.00
